

## *Good Tuesday to all*

Last evening I went to my covey of books and naturally, my Bible, in search of that spark of a word or phrase for today's message and inspiration.

I love this time. The research sets me on paths of inspiration. Often and many times the readings are meant for me, as I must have needed it. This research time I could not find that spark, that thing that gives me butterflies in my Heart Cave, that tickle when the Spirit get excited in my chest.

As I was closing my books, a marker I use presented itself by falling out of my Bible. Reading it I immediately said "oh my goodness this is one to share". I hope it is of inspiration to you too! One of the girls of my graduating class made these up and gave to Joyce and one to share with me! As it is said "in order to receive a gift you must first put out your hand to receive it". I did not hesitate.

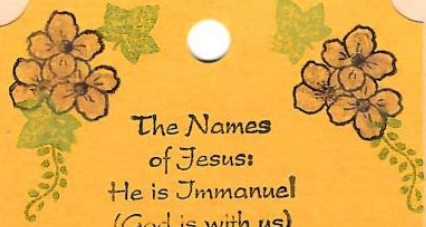

### THE QUEST FOR TODAY

Each reference is Biblically noted. Perhaps you will look-up and read the entire verse.
